Community Youth Mentoring Programs
You may call the Mentoring Coordinator at St. Francois County Community Partnership at (573) 431-3173 for information on any of the following mentoring programs.

Farmington Presbyterian Children’s Home: (573) 756-6744. Adults great needed to demonstrate life and family skills for children ages 11-19. Helpful qualities for a mentor include: self-motivated, creativity, organized, patient, passionate, and responsible. Children in this program come from challenging family backgrounds and need committed unconditional love and patience. Mentors are asked for a minimum 6 month commitment and required to complete a background check. Paid and volunteer mentoring positions available.

Teen Parent Choices: (573) 747-1705 or (573) 760-0212. The “Teen Parent Choices” program helps teen moms with the many adult challenges they face. Goals for the teen mothers are identified and often include: physical wellness for baby and mother, continuing the teen mother’s education, and the learning of many life skills needed to care for a child. Program sponsored by Young Faith In Christ, a nonprofit organization working with area young people. Mentors are asked to call teen moms weekly and give time as their schedule permits. Background checks are required and training available.

Path To Success: (573) 747-1705 or 747-9940. This mentoring program, sponsored by Young Faith In Christ, is a school-based program. Mentors commit to one hour per week for the school year and meet with 3rd and 4th grade students at the school to offer tutoring after school. Some mentors also choose to be a “lunch buddy” or “recess buddy.” Background checks are required and three hours of training are provided. We have seen that kids with mentors not only improve their grades, but also are referred less for discipline problems.
